

Color Exploration Activities

Option 1: Create an abstract collage using only the primary colors (and black and white)

Option 2: Create an object with only cool or warm colors, fill the background with the opposite (cool or warm)

Option 3: Paint a monochromatic landscape

Option 4: Repeat an object or shape across your page, split into three sections, color each section with only a single color and its complement

Option 5: Create an artwork using only secondary colors.

Option 6: Create an artwork using a color scheme to show an emotion
